PRAYER

Keep us, O God, from pettiness, let us be large in thought, in word, in deed.

Let us be done with fault-finding and leave off self-seeking.

May we put away all pretense and meet each other face ta face—without self-pity and without prejudice.

May me be never hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene, gentle.

Teach us to put into action our better impulses, straight-forward and unafraid.

Grant that we may realize it is the little things that create differences, that in the big things of life we are as one.

And may me strive to touch and to know the great common woman's heart of us all, and, O Lord God, let us not forget to be kind.
